2018 Supplemental Rabies Tags and Certificates Order Form

Supplemental tags are not personalized per each clinic. Tags have the year and type of tag on the front and the CVMA office number (303.318.0447) on the back. If an animal is found with one of these tags, CVMA looks up the tag number and directs the caller to the clinic that purchased it. Please note: Cat tags may not be used on dogs.
