Exhibit Rules and Regulations

Exhibit rules and regulations are to be construed as part of all contracts for exhibit space. CVMA reserves the right to interpret them, as well as make final decisions, on all points not herein covered.

Reserving exhibit space. Companies that wish to exhibit at Convention 2018 must complete and return the Partnership Opportunities Contract with full payment. This contract, accompanied by full payment, is the only means by which space may be reserved; no telephone reservations will be accepted. Exhibitors can select booth location, which is done on a first-come, first-served basis, and CVMA will notify companies of neighboring booths to eliminate proximity to competitive or conflicting organizations. Booth spaces around the lounge area are designated for Presenting and Hosting Partners. If your company's partner level falls into one of these categories, we will contact you regarding moving to one of these premium spaces. CVMA reserves the right to assign, designate, or change your booth location.

Exhibit booth sharing. Each exhibit booth space is reserved for a single company. Only one company name is allowed per booth. Sharing space is discouraged; however, if you choose to do so, only one company name is allowed to be displayed. CVMA reserves the right to exclude any exhibit that is not conforming to the policies of the Association.

Exhibit representatives. Three or more exhibitor badges will be provided, up to the limit defined in the Partnership Rewards program (see Partner Rewards Table on page 3). Additional badges are available for \$75 each. Please indicate to the CVMA office. Each exhibiting company must check in at the CVMA registration desk. Each exhibit is to be staffed at all times during exhibit hours by bona fide employee(s) or representative(s) of the exhibiting company. All exhibitors are required to wear CVMA name badges at all times during the meeting.

Official Service Contractor. Freeman Decorating Company (FDC) has been appointed the Official Service Contractor for CVMA Convention 2018. FDC will provide material handling, furnishings, labor, and support services to exhibitors. Embassy Suites fulfills orders for telephone, Internet, audio/visual, and electrical services.

Service order forms will be provided to each exhibitor following confirmation of exhibit participation. Given the limited loading area at the Embassy Suites, all move-in and move-out activity will be under the control of FDC (see exhibit rules and regulations for a full explanation).

Move-in and move-out. The loading space at the Embassy Suites is limited and policed. To ensure the orderly move-in and move-out of the show, all loading areas and vehicle traffic will be under the exclusive control of the Official Service Contractor. As conditions permit, space may be made available for exhibitor-owned vehicles to load or unload. One person must remain with an exhibitor-owned vehicle at all times. Due to volume and time constraints, exhibitor-owned vehicles must be capable of being loaded/unloaded within 15 minutes.

Material handling. All materials received, other than those in exhibitor-owned vehicles as described below, will be handled by the Official Service Contractor. Exhibitors may handle their own materials that can be carried by hand by one person. Exhibitors may not bring or use carts, pallet jacks, or other material handling equipment that would interfere with the operations of the Official Service Contractor. All materials, other than exhibitor handled materials as described herein, are chargeable as material handling and will be handled through the Official Service Contractor. There are no storage facilities available for materials handled by exhibitors.

Operation of exhibit space. All business activities of the exhibitor must be within the exhibitor's assigned space. CVMA reserves the right to control or prohibit any exhibit or part of any exhibit which, in its opinion, is not in keeping with the policies of the Association. This reservation refers to persons, products, and printed matter. Exhibitors must comply with ordinances and regulations set forth by the building, fire, and police departments of Loveland, Colorado, and any regulations set forth by the embassy Suites in the interest of common safety.

Music licensing. The exhibitor agrees to obtain music licenses from ASCAP and/or BMI for use of copyrighted music in the exhibit booth.
