

What is a CVMA chapter?

CVMA chapters are geographical groupings of members throughout Colorado. Your local chapter will host local gatherings, and provide CE in your backyard. Membership in your local CVMA chapter is required.

How do I determine which chapter I belong to?

Chapter membership is determined by the county you practice in.

Why do some chapters charge dues?

Some CVMA chapters host more events and provide more CE to their members than other chapters— to support the costs of these services, these chapters will charge dues. Each CVMA chapter is led by a team of volunteer CVMA members and determines its own membership dues.

Why am I required to join a chapter in addition to my regular CVMA membership?

Facilitating community connections is a key part of the CVMA mission. CVMA believes it is vital to have local groups in which members can meet peers, get connected on local issues, and have a community to call their own.

CHAPTER	COUNTIES WITHIN CHAPTER	CHAPTER DUES
